

## 2006 Arcus

*“Archery Summit has established itself as the Rolls-Royce of Oregon Pinot Noir”*

*Harvey Steiman, Wine Spectator*

The 2006 Arcus Estate displays the bold flavors and velvety structure Pinot lovers have come to expect from this singular vineyard. It opens with intense aromas of violet and rose petal, fresh black cherry and red currant that lead into the generous palate offering concentrated notes of black cherries and raspberries, star anise and mulling spices. This wine shows great depth with plush, integrated tannins and a persistent finish. The 2006 Arcus Estate is open and vibrant now, but will certainly improve with proper cellaring over the next 3-8 years.
