

## 2006 Premier Cuvée

*“Archery Summit has established itself as the Rolls-Royce of Oregon Pinot Noir”*

*Harvey Steiman, Wine Spectator*

- **100% Estate grown** - Premier Cuvée sources grapes from all five of our estate vineyards, using older plantings of our famous Pommard and Dijon Clones
- **Organic farming** - Healthy, balanced soil produces grapes with pure, intense, terroir-driven flavors
- **Hands-on winemaking** - Intensive hand-picking and hand-sorting ensures only the best grapes are chosen
- **Natural yeasts** - Fermentation with native yeasts allows the wine to truly express the terroir of the region and vintage
- **Gravity flow** - With our unique elevator to lift barrels and tanks, the wines are never subjected to the harsh action of pumps

“Fresh raspberry, blackberry and Asian spice aromas convey ripeness and clarity. Red and dark berry flavors offer good palate coverage . . . Immediate, fruit driven appeal, exotic and alluring.”

*Stephen Tanzer's International Wine Cellar*
